TRIWAY LOCAL SCHOOL DISTRICT

April 3, 2020

Dear Triway Families,

As our calendars have turned to April, I hope that all of our students and families are well. On behalf of the Triway staff, we want to thank all of you for your continued support, flexibility, and patience. We all miss the buzz of activity in our schools, and look forward to when our students can return safely. Although I realize that our rapid transition to remote learning can cause stress and anxiety, I am encouraged by the creative methods by which learning and relationship building have continued during these challenging times. #theTriwayDifference has been on display in virtual classrooms, through video conferencing and digital Spirit Weeks, and on social media. I am extremely proud of the efforts of our staff, students, and families to stay connected and continue to grow.

Recently, we added a Frequently Asked Questions (FAQ) link, <http://www.triway.k12.oh.us/district/covid-19-faq>, to the COVID-19 page on our district website. As we continue to work closely with our local health department, state health department, and the Ohio Department of Education, we will provide the most recent information available. If you would like to submit a question not found on the list, click the link at the top of the FAQ page. Please check the page regularly for the most up to date answers.

Food distribution will continue next week during Spring Break with one minor change. We will not be delivering food on Friday, April 10th. However, we will include Friday's lunch with Thursday's delivery. As previously stated, if you are not on the delivery list, please fill out the form below, or call the central office at 330-264-9491.
