Ohio Revised Code section 3319.39 requires the Board of Education to obtain a criminal records check of prospective employees. This is completed by fingerprinting, which is done at the Triway Board of Education Office. Cost for fingerprinting is $55.00. Checks, money orders, or cash are accepted.

READ CAREFULLY

Due to the length of time required for completion of the records check, it may occasionally be necessary to employ a person prior to the Board of Education having received the results of the criminal records investigation. However, by signing this document I specifically agree that if I am employed by the Board of Education prior to its receipt of a response from BCI and the FBI, my employment shall be contingent upon subsequent receipt by the Board of Education of both reports. In the event I have been employed prior to the Board of Education having received a report from both BCI and the FBI, and the reports indicate that I have been convicted of or pleaded guilty to a unemployable offense, I specifically agree that the action of the Board of Education employing me shall be void without any further act by either party, and that my employment will terminate immediately without the necessity of proceedings to formally terminate my contract of employment.

I grant Triway Local Schools the authority to conduct a criminal records check and will provide a complete set of fingerprints prior to being considered for a position. I certify the information supplied in this application is correct.
