

Triway High School Student Vehicle Parking Permit/Registration Rules

***In order to drive to school and park on school property, you and your parent/guardian must sign the Triway Local Schools Board of Education Drug Testing Policy consent form. Once you turn in the signed consent agreement, you will receive a parking permit that will hang on your mirror in your vehicle. Failure to sign or turn in will result in loss of driving privileges.**

1. All student vehicles parked on school grounds must be registered with the school.
2. All student drivers must be properly licensed by the State of Ohio.
3. **All vehicles driven by students shall have insurance** and may be inspected by the State Highway Patrol. The school is not responsible for damage or theft to any vehicle or its contents while on school grounds.
4. Student drivers shall transport only those passengers listed on their registration.
5. **The speed limit on school property is 15 M.P.H.**
6. Any violation involving the safety of students will result in a denial of driving privileges. Failure to obey one way traffic patterns, passing cars while exiting the school lot, and driving too fast or in a dangerous manner as observed by faculty/staff are considered serious safety violations.
7. To facilitate identification, to make maximum use of the space available, and to promote safety, vehicles shall be parked in the marked parking spaces with the automobile facing North or South. Vehicles are not to be parked in the parking lot entrances or exits.
8. **Students shall not park in the first two rows from the flagpole to the end of the auditorium. This area is for administration, teachers, visitors, handicapped people and cafeteria staff.** The area beyond this, as well as the third and fourth rows, are for student drivers. We ask that students not park in the rows nearest to the soccer field. Please do not park behind the school near the auxiliary gym/weight room or in the oval during the school day.
9. Upon arriving at school, students must leave vehicles immediately and report to the building.
10. Students shall not return to their vehicle until they are dismissed or school dismissal (2:46).
11. **School busses shall have the right of way at all times.** Student drivers/parents picking up students **must wait once the busses start to exit.**
12. Students who choose not to use the school bus and to provide their own transportation must accept the consequences for late arrival to school (**No Excuses**).
13. **Principals and their designees are permitted to search the person and personal property (motor vehicle, purse, backpack, gym bag, etc.) of a student where there is reason to believe that evidence will be obtained indicating the student's violation of either the law or school rules. The rules of such searches are found in the Triway Local Board of Education Policies.**
14. **Parking Regulations will be strictly enforced.** It is considered a privilege to park on school grounds. Denial of driving privileges, towing of vehicles and/or suspension from school may occur when violations of these regulations occur.
15. The following rules apply to all motorized vehicles.

If you are truant and use your vehicle to leave school grounds, the following consequences will occur:
