

Physical Education Option

Under recently adopted legislation by the Ohio General Assembly as part of the Core Curriculum, interscholastic sports, cheerleading, and marching band may be used to fulfill the physical education requirement for graduation. Please complete the form to participate in this opportunity.

Name _____ grade _____

School year _____

Only athletic programs sanctioned by the Ohio Athletic Association, cheerleading, and marching band can be accepted for this educational option. Successful completion of the season is required for credit to be granted. The grade will be issued on a pass (P) or fail (F) basis. Therefore, it will not affect a student's grade point average.

The state of Ohio requires students to pass $\frac{1}{2}$ credit of physical education (2 semester classes) to graduate. Most Triway students earn $\frac{1}{4}$ credit of physical education while at Triway Junior High by successfully passing their eighth grade PE class.

Under state regulations, a student cannot earn more than $\frac{1}{2}$ credit of physical education. Therefore, Triway students who earned $\frac{1}{4}$ credit while at the junior high only need to sign up for $\frac{1}{4}$ credit through this option.

I plan on earning credit through this option. I am applying to earn:

_____ $\frac{1}{4}$ credit of PE (1 season) _____ $\frac{1}{2}$ credit of PE (2 seasons)

Please indicate how you will earn this credit (which sport, cheerleading or marching band).
