

PSAT

The PSAT is a practice college-admissions testing opportunity for juniors. The PSAT also serves as the **only** qualifying test for the National Merit Scholarship Program.

The test is comprised of three sections: Reading, Writing/Language and Math. Students receive a “selection index” which is the sum of their three scores.

The PSAT is only given once a year, in October, and students take the test at the high school during the school day. Students must sign up to take the PSAT in the main office and pay a testing fee. All honor roll juniors are highly encouraged to take this test.
