## Shreve Elementary Mission Statement

Shreve Elementary will develop and foster influential leaders by promoting communication, collaboration, critical thinking skills, and creativity in a safe and challenging environment.

### Mrs. Schlauch's 1<sup>st</sup> grade Mission Statement

*In this class we are respectful and responsible. We are kind and helpful to each other. We listen carefully to others. We will work hard and try our best. We are not afraid to try new things or say I'm sorry. We choose to be POSITIVE and have fun while learning!*

## Habit Leader Spotlight

### Congratulations to our October Leaders of the Month!

Saylor Holt, Landon Wyatt, Brody Flinger, Megan Martin, Tyler Zimmerly, Nat Broughton, and Jenna Keplar.

We invited our veterans in for a breakfast to show how much we appreciate all they have done for us.

The 2<sup>nd</sup> graders, 4<sup>th</sup> graders, and 6<sup>th</sup> graders offered their time to help make the outside of the building look great.

Kalie Campbell brought in the most items for our food drive and got to be the principal for the day.

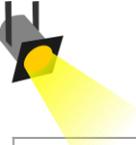

Our Student Leadership Roles are in full swing. Here are 2 of our morning greeters; Logan Hurt and Logan Wyatt.

We hosted our 2<sup>nd</sup> Leadership Luncheon this month. Our Leaders of the Month invited community members to our school to share the Leader in Me program with them.

<sup>93</sup>Never let the world change your smile; let your smile change the world.<sup>96</sup>

# Spotlight on Students

## Habit 6: Synergize

I read Stone Soup and learned about working together rather than alone.

***Kadence Duncan, Kindergarten***

## Habit 6: Synergize

I learned that if I shared the blocks with my little sister, we could work together and build better, bigger towers.

***Braylon Davault, Grade 1***

## Habit 1: Be Proactive

I am a leader when I make good choices. I make good choices when I respect the teacher.

***Jayden Smith, Grade 2***

## Habit 6: Synergize

Synergize means to work together by trying each other's idea.

***Sean Pavlich and Samuel Kahrig, Grade 3***

## Habit 3: Put First Things First

To put First Things First means to do what you need to do first and then do what you want to do. I put first things first at home by doing my homework first and then I play. There are other ways to apply it also. By just taking your dog for a walk before taking a nap, or feeding the animals before playing video games. Those are just some ways to apply Habit 3 at home or at school

***Olivia Cline, Grade 4***

## Habit 5: Seek First to Understand, Then to be Understood

At the dinner table our family each took turns last night to talk about our day. We all listened to one another!

***Jaymes Gilbert, Grade 5***

## Habit 6: Synergize

This year our school has been learning about the seven habits and right now we are learning about habit six, synergize. Synergize means work together; two heads are better than one. This habit is important because when you work together you get more things done. Or say you want to play a sport, you will need more than one person to make a team. If you wanted to start a business, you will need to hire people or you won't have a very successful business. Synergize and make life easier!

***Maddie Kline, Grade 6***

## Habit 5: Seek First to Understand, Then to be Understood

I am an understanding listener when I listen to Mrs. McKissick teach and I am in Learn-Ready position.

***Eron Spade, Mrs. McKissick's class***
