Shreve Elementary Mission Statement

Shreve Elementary will develop and foster influential leaders by promoting communication, collaboration, critical thinking skills, and creativity in a safe and challenging environment.

Mrs. Flinner's 2nd grade Mission Statement

As Super Second Graders we will respect everyone. We will be good friends and help each other. We will always work hard and do our best. We will be leaders and have fun everyday!

Habit Leader Spotlight

Congratulations to our November Leaders of the Month!

Peyton Barnes, Bruin Flinner, Jeremy Strouse, Alivia Larson, Ella Wigal, Drake Johnson, Culver Sidle, and Hayden Smith.

The students had a great time at Reindeer Games making reindeer antlers, playing games, and eating ice cream and cupcakes.

Congratulations to spelling bee winner, Hayden Smith, and runner up, Jon Smith!

Miss King and our 1st – 3rd graders put on a great performance of December Gifts.

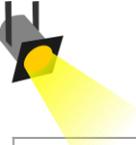

The 4th graders collected school supplies for Every Women's House as their holiday service project.

Thanks to our great table leaders at Parent Teacher Conferences. They did a great job sharing with our families about the 7 Habits.

⁹³ A Leader is someone who demonstrates what's possible. ⁹⁶

- Mark Yarnell

Spotlight on Students

Habit 5: Seek First to Understand, Then to be Understood

I listen to my mom, then I ask questions.

Bryce Meade, Kindergarten

Habit 7: Sharpen the Saw

I play outside and that sharpens my heart and I read and that sharpens my mind.

Dominic Shahan, Grade 1

Habit 5: Seek First to understand, Then to Be Understood

I listen to others by using my heart and ears. I cheer someone up when they are sad. I listen to others when they talk. I put other people first when I wait until my turn. I understand others when they talk

Celia Acevedo, Grade 2

Habit 7: Sharpen the Saw

I can sharpen the saw by exercising, not watching too much TV, and spending more time with my family.

Allie Craig, Grade 3

Habit 2: Begin With the End in Mind

The habit I think is most important is habit 2 begin with the end in mind. What it means to me is that you have a plan in mind. You need to begin with the end in mind to have a plan to do what you want to do for the day. For example, a time I used begin with the end in mind was when I was raking leaves with my neighbor. We made a plan that he would rake up some of the leaves in a pile. Then, I would take the leaves from the pile into the bigger pile. That's how my neighbor and I raked leaves in my neighbor's yard.

Hailey Sellers, Grade 4

Habit 4: Think Win-Win

I gave my sister a compliment about how smart she was after we completed our homework.

Logan Barnes, Grade 5

Habit 7: Sharpen the Saw

I showed Habit 7, Sharpen the Saw, by using my name to show how I use the habit. This is how I sharpen the saw:

Offer help
Love my family
Influence good upon little kids
Value others' opinions
I will be nicer to others
Attend an art school or activity

Olivia Daley, Grade 6

Habit 1: Be Proactive

To make the Grinch grin, I would give him a gift. I think he would like a blanket to keep warm.

Kyden Pompa, Mrs. McKissick's class
