Shreve Elementary Mission Statement

Shreve Elementary will develop and foster influential leaders by promoting communication, collaboration, critical thinking skills, and creativity in a safe and challenging environment.

Mrs. Shemenski's, Mrs. Deidrick's, and Mr. Nester's 4th grade Mission Statement

I will be a 4th grade leader everyday by: Treating others the way I want to be treated, giving my best effort always, and making positive choices at school, at home, and in my community.

Habit Leader Spotlight

Congratulations to our January Leaders of the Month!

Collin Keplar, Kaitlynn Baker, Ellie Schellin, Lukas Metz, Olivia Rusmisl, Kaelee Garst, and Grayson Broughton.

The Green Team takes care of our recycling bins every week.

Mrs. Mosier and her 5th grade students have been hard at work creating this great display for the hallway.

Mrs. McDowell's and Mrs. Hendrix's class just finished their penguin reports and shared them with their peers.

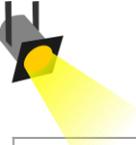

We made our goal of 30,000 purple tallies and celebrated by dressing in mismatched clothes.

Our interior design team created this great showcase of past Shreve graduates.

"The greatest leader is not necessarily the one who does the greatest things. He is the one that gets the people to do the greatest things."

- Ronald Reagan

Spotlight on Students

Habit 7:

I sharpen the saw by playing with My Little Ponies and helping my mom clean the kitchen.

Andi Musser, Kindergarten

Habit 3:

I like put first things first. I work hard, then play hard. I read with my mommy and daddy, then I play with my brothers.

Addyson Flinner, Grade 1

Habit 2:

I try to think, what is my goal and how am I going to get there?

Tatum Webb, Grade 2

Habit 7:

I stay balanced by participating in swim class, signing up for Titan Christian Ed, patiently playing with my sister, and challenging myself with hard math problems.

Nevan Christian, Grade 3

Habit 5:

Listen before you speak. Using habit 5 is important because you never know what other people are going to say. Take your time and listen to other people. Don't interrupt.

Simon Kitchen, Grade 4

Habit 3:

I go home every night and do my homework first before I do my chores. I like having my homework done before my chores because it is due the next day, while my chores can be spread out over the week.

Allysa Luhning, Grade 5

Habit 6:

Together is better
Together is great,
The more you synergize
You'll do great!
Working together
Like a team,
Together is better
Do you know what I mean?
So let's all synergize
And have a plan,
And with third alternatives
We can save the land!

Emma Hudson and Clowie Flinner, Grade 6

Habit 6:

I plan to help mom clean the kitchen floor more often.

Anna Morris, Mrs. McKissick's class
