Shreve Elementary Mission Statement

Shreve Elementary will develop and foster influential leaders by promoting communication, collaboration, critical thinking skills, and creativity in a safe and challenging environment.

Mrs. Braden's, Mr. Root's, Mr. Yockey's 6th grade Mission Statement

We, the 6th grade, will be respectful, trustworthy, caring, and will never give up.

Habit Leader Spotlight

Congratulations to our March Leaders of the Month!

Carter Foxx, Jaxon Leonard, Nathan Day, Arayah Seeley, Breidyn Flinner, Grace Perman, and Maddie Kline

We had some great baskets this year for our fun fair. Thanks to all the families, students, and teachers for putting them together.

Our January and February Leaders of the Month hosted our 5th Leadership Luncheon.

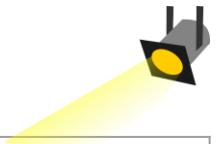

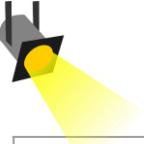

The 6th graders spent 3 days and 2 nights at Round Lake for Outdoor Education.

The 1st graders made timelines about their lives and shared them with their peers.

Mrs. McKissick's class did a unit on baby chicks. They tracked their growth, took care of them, and got to watch them hatch from their eggs.

Spotlight on Students

Habit 6: Synergize

I like synergize because Noah, Zachary, and I work best together. They help me and are nice to me.

Sophia Rodriguez, Kindergarten

Habit 1: Be Proactive

I promise to pick up trash and I will recycle paper too.

Addy McKelvey, Grade 1

Habit 1: Be Proactive

I am proactive. I get my body ready to sleep by reading before I go to bed.

Jayden Ackerman, Grade 2

Leadership

Cinquain Poem

Leader
fantastic person
helping winning thinking
put first things first
polite

Austin Dronebarger, Grade 3

Habit 3: Put First Things First

I think habit 3, Put First Things First, is the most important habit of them all. I like this habit the most because if you do the important things first, you won't have to worry about those important jobs at 9:00 at night. If you play video games as soon as you get home from school, you will get too attached and forget about your homework or important jobs. I use this habit everyday by doing my homework first, then I go ride my horse.

Olivia Rusmisel, Grade 4

Habit 3: Put First Things First

My favorite habit is Habit 3, Put First Things First, because it's better to do your homework first, then to go outside and play. I try to make sure my work is done before I go out to have fun with my friends

Lillian Marang, Grade 5

Habit 7: Sharpen the Saw

The top 10 ways I Sharpen the Saw:

1. Minecraft
2. Reading
3. Animals
4. Ice skating
5. TV
6. Swimming
7. Playing in the snow
8. Melty beads
9. Coloring
10. Wave skimming

Bridget Kitchen, Grade 6

Habit 6: Synergize

I synergize with my friends when we recycle.

Jeremy Strouse, Mrs. McKissick's class
